

## Big6 Prezi Assignment

Go through these Big6 steps in finding out how to select a movie to see and then create a *Prezi* to show you understand the steps

### 1. Task Definition

1.1 Define the information problem **we don't know what to see**

1.2 Identify Information needed **show times, theaters**

### 2. Information Seeking Strategies

2.1 Determine all possible sources **newspaper, phone app, telephone a known theater**

2.2 Select best sources **which is available, most current**

### 3. Location & Access

3.1 Locate sources (intellectually and physically) **select an app, find a newspaper**

3.2 Find information **download the app, go the library**

### 4. Use Information

4.1 Engage (read, hear, view, and touch) **take notes on preview, times, etc...**

4.2 Extract relevant information **which locations and times are available to select from**

### 5. Synthesis

5.1 Organize from multiple sources **share with friend various locations and times**

5.2 Present information **attend the movie**

### 6. Evaluation

6.1 Judge the product (effectiveness) **was it a good theater to attend**

6.2 Judge the process (efficiency) **a) was the app or newspaper source you used correct  
b) did you give yourself enough time to get there before it started**
